Product Description

Pack Quantity

This is minimum order quantity.

Important notes regarding 'CE' marks

Where applicable, all the items featured in this trade only catalogue carry the European Control Safety Mark (CE Mark). This mark gives details of the manufacturer or importer of the item and any age or small parts warning relevant to each individual product.

Occasionally it is impractical to mark products individually e.g. small rings, jet balls etc. Whenever a product is not individually marked, the outer packaging carries the CE Mark. In order to comply with the current regulations, if an item carries the CE mark, you must ensure that this mark is clearly visible at the point of sale. Failure to do so may result in prosecution.

Information

Retail prices in this catalogue are calculated to include VAT at the current rate at time of publication.

Any variation in the VAT rate will affect retail prices shown.

Whilst every effort is made to ensure the continuity of price and profit structure, we reserve the right to make any alterations that market forces or other necessity may require.

The retail prices shown in this catalogue are for guidance only and cost prices are clearly shown on our invoices.

Sizes and any age indications given are approximate and are for guidance only.

For further information please refer to our standard terms and conditions of trading, available on request.

Products and designs may differ from those illustrated.
